Observations... From Around Town

(BY JAY WHOZIT)

With the end of sugar rationing, Hancock County housewives should be able to catch up with a lot of their cunning which has been greatly curtailed. It is good to again see our friend Doc Smith up and about and attending the sick, after being laid low himself by a severe illness better go slow and take things easy, Doc. We understand the boss will have a statement in this issue telling the folks of Hancock County of his retirement from politics to become strictly a newspaper man. We hope he means it, as he has been hard to step out after so many years. It would imagine that some of the boys in the sheriff's race will be very happy and overjoyed that he has made this decision. Well we will say this much, a good newspaperman can do much more for the betterment of his community and its people, than a good politician. Mayor Delesseps Morrison, of New Orleans, weekending at Waveland, and pushing a lawnmower trying to keep that waistline down. Supt. Ingram has announced that summer school will begin at Bay High school on July 14th and continue for forty days. Summer camps at St. Stanislaus and St. Joseph's are now in full swing and the kids are really having a grand time. Thanks, Mr. Mayor, you beat us to the punch, by a few hours, about that spreading sand over the streets, your force did a swell job, may be a few more spots could stand a little. And while our attention is on you, Mr. Mayor, how about some of these dangerous corners? A few traffic lights or some well-planned signs would certainly be an added protection. A real political picnic will be held at Caesar on Saturday, June 21st, candidates from all over the state will attend. This is the opening gun in the local campaign and from then on the fur will probably fly, especially when the boys begin calling each other names. Governor Fielding Wright will be on hand at Caesar on Saturday and will speak to the voters of Hancock and Pearl River Counties about 2 p. m. "Win With Wright" is the slogan adopted by Gov. Wright's campaign committee, and we think they are right, in fact it sounds pretty good to us. As you will note from the announcements in this week's issue the candidates are really beginning to make themselves known to the public. We've said it before and we repeat there is a crying need for a good photographer's studio here in Bay St. Louis, this opportunity won't be forever. Another thing we need here is a good florist. If a neighboring town of ours can support two, why can't we support one, we can if someone will give us a trial. We are sure to attend the Church Fair at Our Lady of the Gulf Church on Saturday, Sunday and Monday as the money will be used to help defray the expenses of remodeling the church for the Centennial celebration in October. Airdonditioning was installed in the Hancock Bank this week, and it is really a treat to sit in there these hot days. The Board of Supervisors this week passed an order which provides that Beat Five of Hancock County will have only ONE Justice of the Peace in the future, instead of TWO, as has been the case for many years, so that when you go to the polls on August 5th you will vote for One instead of Two for Justice of the Peace. The Mississippi State Highway Department is surfacing the Lakeshore Road from Highway 90 to the Beach. This project was started by Hiram Patterson during his lifetime. The shell base was put there during his administration by the highway department. It was held in abeyance during the war. The Board of Supervisors has worked the base and Mundell Bush the present highway commissioner is completing the job.

Political Picnic at Caesar On Saturday, June 21st.

Many of the Eighty Five Candidates in Hancock County will be headed toward Caesar early Saturday morning. There will be a real old time picnic held there all day Saturday, June 21st. The candidates will start to speak about 9:30 in the morning. At noon a barbecue dinner will be served, and we understand from the committee in charge that there will be a sufficient amount of barbecue to take care of all comers. All County and District Candidates will speak before noon, and each will be afforded an opportunity to place his candidacy before the people of his County. Governor Fielding L. Wright will be there in the interest of his candidacy for Governor and will address the voters of Hancock and Pearl River Counties. Lones Ladner of Pearl River County will be master of ceremonies.

OUR LADY OF THE GULF CHURCH FAIR SATURDAY - SUNDAY, JUNE 21 - 22

Plans have been completed for Our Lady of the Gulf Church Fair to be held this Saturday and Sunday, June 21st and 22nd on the spacious church grounds. Father Desmond, chairman. The fair will start on Saturday and Sunday evenings at 6:30 p. m. Plan to come and have your supper at the fair on those two evenings. There will be amusement for young and old alike. It has been noted that the new marble altars have arrived from Italy and are in readiness for assembly. They are among the many improvements to be completed by October, when Our Lady of the Gulf Church will hold its Centennial celebrations. The beautiful paintings in the church already completed give a fair glimpse of exquisite finale. The new pipe organ will be installed by then.

BAY HI HIRES COACH

It has just been announced that Mr. Ellis Guillory at present finishing his Master Degree in Physical Education at L. S. U., has been employed as coach and principal of Bay High. Mr. Guillory comes highly recommended and it is felt by school officials that he will be a definite asset to the athletic program. Mrs. Guillory, with a degree in physical education and school health as well as in the social science, has also been added to the faculty to carry on a real physical education program for the girls. These two teachers, along with Mr. T. J. Broadus and Miss Alma Parker, give Bay High a chance to make a fine record in sports and intramural team play.

MRS. B. GEORGI CANDIDATE FOR JUSTICE OF THE PEACE BEAT 5

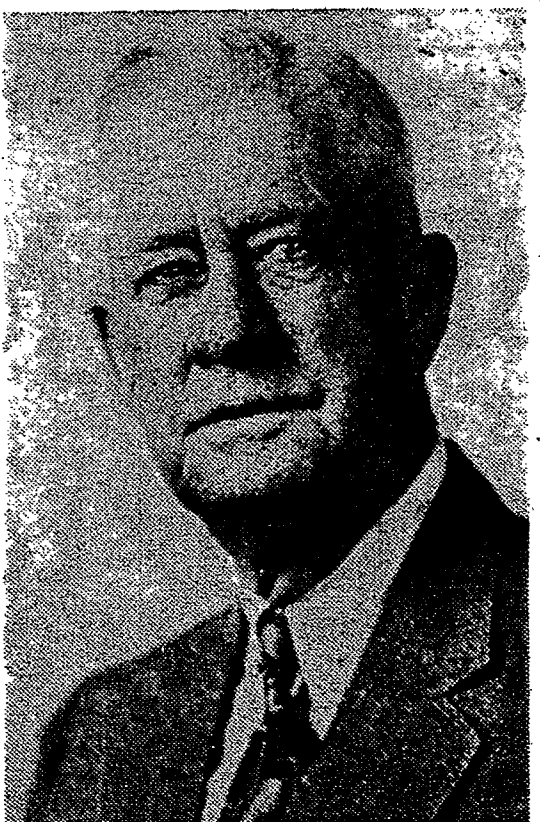

MRS. B. GEORGI
The Sea Coast Echo is authorized to announce the candidacy of Mrs. B. Georgi for the office of Justice of the Peace, Beat Five, Hancock County. In announcing my candidacy for Justice of the Peace for Beat Five of Hancock County, I should like to offer my record and qualifications for your consideration. I was born and educated in New Orleans, the daughter of Mrs. R. F. Retif, Sr., and one of seven children. Three of my brothers served in World War II, two of whom were in combat service overseas. I have been married for the past fourteen years and my husband is an employee of the Railway Express Agency. I have held positions as P. B. X. operator and as general office assistant with various firms in New Orleans including the Southern Bell Telephone and Telegraph Co., Canal Bank and Trust Co., and during the late war period for the United States Government at the Belle Chasse Naval Ammunition Depot, having qualified for the appointment by Civil Service examination. I was awarded a Civilian Defense Certificate which is testimony that I did my bit, on my own time, to assist in the war effort. Now I have a business in Waveland which affords me the opportunity to continue to meet and cooperate with the public. At the suggestion of many friends, I have entered this contest for Justice of the Peace. In the event of my election I shall serve with fairness and justice and endeavor in every way to contribute to the honor and good name of Hancock County. If you deem me worthy I shall appreciate your support. I have already undertaken a study of the duties of Justice of the Peace and will take over the office with a basic knowledge of the task before me, which added to my well known conception of decency and fair play, should enable me to conduct the affairs of the office of Justice of the Peace for Beat Five in a manner highly satisfactory to all of its citizens. I plan to contact every voter in Beat Five in order to present my

PERCY G. GARRIGA ANNOUNCES FOR SUPERINTENDENT OF EDUCATION

PERCY G. GARRIGA
The Sea Coast Echo is authorized to announce the candidacy of Percy G. Garriga for the office of Superintendent of Education of Hancock County. Mr. Garriga's statement to the voters follows: To the Voters of Hancock County: I take this as a means of announcing my candidacy for the office of County Superintendent of Education. I was born and reared in this County and had the privilege of completing my high school work here. It was valuable experience for me to have attended a rural school as well as the city schools. After finishing high school, I attended Loyola University for two years and later did some work at St. Benedict College, which is located in Kansas. Replying the need for and the shortage of college trained teachers, I entered the teaching profession. For several years I have been a teacher and coach in the public schools of Pearl River and Hancock Counties. I fully realize the duties and responsibilities of the position which I seek, but feel that I am capable of meeting them successfully because of my experience. Having worked in the schools and with school authorities I am acquainted with the many problems of those in the teaching profession. It is my desire to help overcome those problems and help promote a great cause. I am acquainted with most of the people, but it is my intention to personally contact every voter before the Democratic Primary. If elected to the office of County Superintendent, I give my assurance of an honest and efficient administration. Sincerely yours, PERCY G. GARRIGA.

A. G. FAVRE WITHDRAWS FROM SHERIFF'S RACE

Will Devote Full Time To Publication of Echo

Upon my graduation from St. Stanislaus in 1916 I was afforded an opportunity to work for the late Dr. J. Gex as his stenographer, a position which was the beginning of a lifelong friendship that I shall always cherish. It was he who began the moulding of my political career, and it was to him that I went for advice and counsel.

In January 1917 the late Dr. A. A. Kergosien, my predecessor in the office of Clerk of Courts, employed me as a clerical assistant. I served in this capacity and as his deputy, with the exception of about 15 months, until January 1928; at which time I became Clerk of Courts, having been elected at the August Primaries of 1927 to this important office without opposition.

In the primaries of 1931, 1935, 1939, and 1943, I had opposition and was reelected by handsome majorities on each occasion. At the conclusion of this term I will have served the people of Hancock County as Deputy and as Clerk of Courts for over thirty years.

Public office holding is a twofold job—first the duties of the office to which one is elected and then politics, for as little as we may realize it, politics is itself a job. It becomes a profession with the man who earns his livelihood from a public office, as much so, as a lawyer, a doctor or any of the other professions.

Politics has been a life's work with me, it having been inculcated into my being from the time that I was a mere youth, my revered father, Joseph L. Favre, having served as a member of the Board of Supervisors for sixteen years. There is a certain fascination in the field of politics, and it is one that grows on a person, and it is difficult to quit when you have been successful. The support and plaudits of your friends when you are winning urges you on and on, and it suppresses the dim roar of the opposition.

Some five years ago upon the death of my good friend Charles G. Moreau, then publisher of the Sea Coast Echo, Mrs. Moreau offered me the opportunity to purchase the paper, stating that her late husband had advised her to dispose of the business upon his death; and she felt that Mr. Moreau would have liked to have me own the paper. The purchase was negotiated and since that time I have been its publisher. During this period I have been able to devote only a short period of time each week to its publication. The publication of a newspaper is a full-time job, and I feel that much good can be accomplished in this field if I devote my full time to it. The office of Sheriff and Tax-Collector, for which I have announced my candidacy is also a full-time job, and if properly done, it requires the undivided attention of the person elected. I certainly cannot do justice to both in the event that I would be elected. I have given much thought and consideration to the matter and have finally concluded that I can do more good for my County and for the people who have been so kind and considerate to me during the number of years that I have been Clerk of Courts, by devoting my full time to the publication of my newspaper and retiring from active participation in politics. So, accordingly, I am today instructing the Secretary of the Democratic Executive Committee to withdraw my name as a candidate for the office of Sheriff and Tax-Collector of Hancock County.

It has been difficult to make this decision, particularly as it means quitting the work that I love and for which I have trained myself during my lifetime. I leave these thoughts with you, ever mindful of the many kindnesses that have been rendered me by my friends, and I shall ask that you give me your full support in my new field of endeavor. I can only promise that I shall continue to render a real service in helping to build Hancock County. To my loyal friends I owe an everlasting debt of gratitude. Sincerely, A. G. FAVRE.

will show that though some of my cases were appealed, my decisions were upheld by the higher court. I served as a Deputy Sheriff of Hancock County for four years and also served on the police force for the Town of Waveland. Having served in these various capacities of law enforcement I feel that this would qualify me for the office of Constable of Beat No. 5. I am not backed by any political organization. I am strictly on my own. If the voters see fit to elect me to the office I seek, I have only one promise to make, that I will carry out my duties in the future as I have in the past. Respectfully yours, AUGUST RUHR.

For the benefit of those who do not know, I wish to state that due to a childhood injury, which left me cripple I was disqualified for the United States Armed Forces. However, I worked on the home front throughout the entire war. At the present time I am employed by the Merchant Marine Cadet Basic School at Pass Christian, Mississippi.

R. T. PERKINS ANNOUNCES FOR TAX ASSESSOR

The Sea Coast Echo is authorized to announce the candidacy of R. T. Perkins for the office of Tax Assessor of Hancock County. His statement follows: To the Voters of Hancock County: It is impossible for me to see all of you folks personally, so I am taking this means to let you know that I am an independent candidate for the office of TAX ASSESSOR of Hancock County.

I have lived in Hancock County for 46 years. During this time I lived at Caesar 3 years, Standard 1 year, Fenton on two occasions of two years each, and Bay St. Louis the rest of the time, where I have conducted a real estate business for 20 years. During the times I lived at Caesar, Standard and Fenton, my father R. R. Perkins operated a turpentine business and I know that many of you people will remember me or my family. I am a member of the American Legion, designated Appraiser for the Veterans Administration on G. I. Loans, and was awarded by the late President Roosevelt for meritorious service during World War II. Attended Miss. State College and Tulane University of New Orleans. The real estate business has been beneficial in giving me a wide experience of the assessment rolls, offices of the Tax Collector and Clerk of the Deed Records.

I have never held a position sponsored or paid by Hancock County and it is my earnest desire to aspire to this important office independent and free to conduct the duties efficiently with fairness to one and all. R. T. PERKINS.

EMILE G. PIAZZA

After much thought and on advice of my many friends, I have decided to become a candidate for Constable of Beat 5, Hancock County. Prior to the declaration of war, I thought it my patriotic duty to enter the service of our country. I joined the Army Air Corps in April 1941. Therefore, it is important that we select the man who is best qualified to serve and the one who will devote his time and best efforts to the job. I submit to you as the basis of my qualifications twenty-two years of efficient service to many people. One year as a School Teacher; two years as Secretary of the Simpson County Farm Bureau; eight years as Chancery Clerk of Simpson County; three years as Superintendent of the construction and maintenance of roads and bridges for the U. S. Forest Service; and eight years as Sheriff & Tax Collector of Simpson County.

I am greatly interested in the development of our farm, to market road system. Our tourist trade and business interest have been fairly well served. We need more hard surfaced roads running through our thickly settled farming areas, so that our farmers can economically market their products.

The Highway Commissioner should be deeply interested in the welfare and progress of our state and should devote his time and best efforts to securing for his state and district the best in roads and service. All of the candidates carried daisies. Mr. Chapman had as his best man Mr. Kenneth McIntosh, and as groomsmen Messrs. Howell Russ, Henry Otis and Hubert Cowan.

On July 1, 1944 the State's Full Faith and Credit Bonds amounted to \$21,427,000. The Legislature appropriated this amount to pay off the entire State bond indebtedness of full faith and credit bonds as they became due. The indebtedness has been reduced to \$16,393,000. The

Legislature gave the Bond Commission authority to invest the twenty three million in Federal Government bonds and cash them as necessary to liquidate the direct State Bond debt as it matured. In this way, the state virtually has no direct bonded indebtedness. See Chapter 140 and 116, Laws 1944.

Action Speaks Louder Than Words

Says Ed. P. Ortte Candidate for Board of Supervisors Beat 5

"In my recent announcement I refrained from making a bunch of promises. I believe 'Action Speaks Louder Than Words.' I trust you will agree with me that during the last three years I was in office there was action. The kind of action the tax payers wanted. At every turn I held your interest and welfare above all else, at every turn I acted and voted the way I could serve you best, my service on the board was at all times in your behalf and most definitely at no time was I ever influenced by any individual or group of politicians. I always represented the tax payers and citizens and if re-elected will continue doing likewise.

In Beat 5 for the first time in many years the roads are in perfect condition, practically all have been graveled and ditched, so as to make better drainage, we have used concrete culverts instead of the old time wooden bridges on the road sides. This work has been going on steadily for the past 3 years and will continue until completed. It is my intention to make a strenuous effort in paving all the roads in this district, in that case the concrete crocks will furnish perfect approaches to the roads.

At present we are paving the Lake Shore road from Highway 90 to the Beach. This will be completed within the next two or three weeks. There is no question that this road will benefit our merchants and the entire beach front. Signs at the intersection of Highway 90 and the Lake Shore road will read, "Short Cut to Beach, Lake Shore, Clermont Harbor, Waveland and Bay St. Louis." Tourists as well as others in this case will have a chance to see our beautiful seawall drive way and beach frontage. The merchants especially in Bay St. Louis will definitely be benefited by the completion of this road. So again I say, "Action Speaks Louder Than Words."

Each week through a series of these articles I will draw to your attention to accomplishments achieved during my administration.

Some of my political enemies as usual around election time while trying to get rid of me, will do most anything in accomplishing their purpose, but if ill and misrepresented rumors begin to spread please consider the source and analyze same for yourself, then you will realize that it is only political propaganda. This I know the independent good citizens will not tolerate.

When you put me back in office and I sincerely trust you will, I can only promise to represent you in the future as I have in the past, and again I quote, "Actions Speak Louder Than Words."

Yours for a better county and a happier place to live.

Sincerely,

ED. P. ORTTE

Candidate for Board of Supervisors, Beat 5

John W. Dupaquier Gives Final Piano Recital

John W. Dupaquier, assisted by his instructor Mrs. Louis B. Pate, gave his final piano recital to a Bay St. Louis audience in St. Joseph Academy auditorium on Monday evening with a large appreciative group out to hear him.

Mr. Dupaquier will leave in the fall for college and the Bay St. people will not have another opportunity of hearing this young artist for a long time.

The program was not a program of easy music and was executed with marked technique, skill and training. His two major numbers Clementi's "Grand Sonata No. 2" and Grieg's

"The Clown" held the audience in quiet appreciation of the young man's rendition of both.

In the excerpts from Opera L'Arlésienne arranged for four hands Mrs. Pate played with Mr. Dupaquier and in the Duos arranged for two pianos, Mrs. Pate, was at one piano.

Mr. Dupaquier has had training under Mrs. Pate for less than two years and deserves recognition for the advancement he has made and also reflects credit on his instructor.

The following is the program:—Prelude—Chords—E. Green, Minuet, Paderewski; Grand Sonata No. 2—1. Presto; 2. Andante; 3. II Variations on folk-lore theme—Clementi; Valse—Chopin; "The Clown"—Grieg; "The Guitar"—Moskowsky; Momanza—Sibelius—(by request); Excerpts from the Opera L'Arlésienne (4 hands): 1. Prayer; Minuet, Farnadole—George Bizet; Duos: two pianos: Mrs. Pate and Mr. Dupaquier: "The Harmonica Player"—Guion; "Nutcracker Suite Flower Waltz"—Tchaikovsky; "Mississippi Suite Mardi Gras"—Grofé.

ORTTE THEATER SUNDAY - MONDAY PRESENTS "DEAD RECKONING"

Starring Humphrey Bogart

Uniting Humphrey Bogart, the screen's favorite "toughguy," with luscious Elizabeth Scott is a little like applying a match to high-octane gasoline. Both are explosive combinations. John Cromwell's "Dead Reckoning," a Columbia production which comes to the Ortte Theater Sunday and Monday, is potent and stirring screen stuff for it stars Bogart and Miss Scott. The pairing of this man and woman dynamite will have the fans talking for a long time to come.

Bogart, as a hard-bitten paratroop officer, returns to the States to receive an award for his combat record. When William Prince, his buddy, disappears from their train, Bogart is plunged into a nightmare of murder, slayings and shootings. He tangles with Morris Carnovsky, an unscrupulous character, and his gorilla, Marvin Miller, and is entangled by the alluring Miss Scott.

That, in essence, is the baroque line of the screenplay by Oliver H. P. Garrett and Steve Fisher. But it doesn't begin to convey its terse and hard-bitten quality, the racy lines and the aching suspense. Cromwell has contributed a magnificent job of direction, exacting the last full measure from the script's dramatic qualities.

Who Owes What to Whom?

Those who would give up essential liberty to purchase a little temporary safety, deserve neither liberty nor safety.
—Benjamin Franklin.

This nation won its independence and the Republic was formed that a people might be free. Freedom of religion was to make us better, freedom of the press to make us wiser and a free economy was established to promote prosperity.

Our peculiar form of free government was designed to provide equal opportunities for its citizens, each according to his capacity and merit. However, obscure the individual's origin, here he could apply himself and rise from a log cabin to the White House, or climb from rags to riches.

The encouragement given the individual to practice self-reliance and employ his talents released a latent ingenuity that transformed the American wilderness and performed miracles in science and industry. Even unto this day we are the most productive, the most prosperous and the happiest people on earth.

Under the American system, public philanthropy was for the unfortunate and afflicted only. So amazing was our will to work that even the physically handicapped, by the thousands, proudly refused public charity to earn their keep.

As President Grover Cleveland, Democratic statesman, so well put it: 'Though the people support the

government, the government should not support the people." He knew as did Washington, Lincoln and Franklin that a free citizen who sacrificed his self-reliance for a public handout soon lost his self-respect. Any government that attempts to support its people transforms them into deadbeats and parasites, and in the end all become impoverished. No Nation of mendicants begging for alms has ever prospered.

The sooner we all re-discover the old precepts that our government does not owe the individual a living and that government cannot produce prosperity for us, the sooner will we find again the way that leads to a sound economy and a more lasting security.

It has long been the policy of this bank to promote production and encourage thrift as the only tried and proven plan to make prosperity.

Our government is the people, in the aggregate, and it owes its citizens only an opportunity to support themselves. And prosperity is no pot of gold at the rainbow's end, fashioned out of empty dreams by idle hands. Prosperity is no synthetic. Prosperity is realistic. It is something produced by men and women who work and save. There is no other way to achieve it.

We Thrive On Thrift

From where I sit... by Joe Marsh

Where's the Argument?

You should have heard Ed Carey and Spike Miller debating the merits of Jersey's versus Holsteins. Ed's our firechief, and Spike handles hardware—but to hear them argue you'd have thought that they'd been dairymen for life.

Finally they put it up to Sam Carter, who breeds dairy cows! Sam hems and haws... and concludes there's a lot to be said for Holsteins, and about as much for Jersey's... take your pick.

Actually, Ed and Spike were like people arguing about—say, beer

versus buttermilk. Folks who've never tasted beer will sometimes get mighty vehement about their choice of beverages. And folks who've never tasted buttermilk will be equally pig-headed.

From where I sit, it's in things we know nothing about that we get bigoted and stubborn. But when it comes to things we know a lot about, we're able to see both sides... be tolerant and reasonable... and above all, understanding.

Miss Annie Lois May, Hancock County Home Agent, spent Tuesday in Hattiesburg attending an Extension Service Meeting.

Word received from County Agent C. C. Stone, is that he is enjoying his study at State College, but wants to get back home. He will be back in Bay St. Louis the second week in July.

On Sunday afternoon Misses Audrey Poolson, Julie and Joan Elliott, Mr. Francis Fabacher, Jr., and Mr. Anthony Fabacher, Jr., of New Orleans motored to Bay St. Louis where Misses Poolson and Elliott, student nurses at Hotel Dieu will enjoy their short vacation. They were joined by another classmate, Miss Anna Mae Benigno on Monday. Miss Joan Elliott returned home after a short stay in the city.

Mr. and Mrs. J. Dennis, of South Carolina, vacationing at Edgewater Gulf Hotel, entertained a party of friends for dinner at "The Pines" on Sunday. They had as their guests, Mr. and Mrs. H. Weber, of Birmingham, Ala.; Mr. and Mrs. J. Fairchild, of Biloxi, Mr. and Mrs. C. Spence of Pass Christian and Mr. and Mrs. P. E. Porter, of Bay St. Louis. A very pleasant time was had by all.

Jay and Boo Boo Crawford, sons of Mr. and Mrs. James Crawford, returned to Memphis, Tennessee, with their grandparents Mr. and Mrs. R. O. Crawford, with whom they will spend the vacation months.

Dr. A. P. Smith has resumed his practice and is located in the Gex Building on the ground floor. His friends and his clientele both welcome him back and are more than pleased that he is again able to be at work.

Mr. and Mrs. Thomas Schaffer and two sons, formerly of New Orleans are now residents of Bay St. Louis, having taken possession of their residence, 614 South Beach Blvd.

The new autoclave which the hospital has worked so hard to purchase has arrived, and is in use. This is indeed a useful requirement for the hospital and has already proven its value.

Mrs. Caroline Federico Maurigi Dies Suddenly

Mrs. Caroline Federico Maurigi, 59 years of age, wife of Gaspar Maurigi died suddenly at her home on Friday, at noon, June 13. Her funeral was held on Saturday afternoon at 5 o'clock from the Fahey Funeral Home with religious services held there and at Our Lady of the Gulf Catholic Church, the Rev. Father Bryan officiating. Interment was in the Italian Tomb in St. Mary's cemetery.

Pallbearers were Sylvest Benigno, Lucien Penicarlo, Peter J. Chiniche, Joseph Chiniche, Frank Chiniche, Bill Morreale, Dominic Milloto, Anthony Trapani.

Mrs. Maurigi was a native of Italy but came to the United States when a baby and she has made her home in Bay St. Louis for the past 35 years.

Her parents founded the Federico Baking Company in New Orleans and were the first to bring Italian bread into the United States. For many years a feast has been offered up in the Maurigi home to St. Joseph in thanksgiving for the restoration of Mrs. Maurigi's health following a severe illness. This feast became almost a tradition and people of all creeds visited the home and contributed to a fund to be turned over to the church.

Mrs. Maurigi was a fine Christian woman and always had time to smile and to extend courtesies to those of her friends with whom she came in contact. She was a member of the Altar Society of her church.

Surviving her are her husband, two daughters Mrs. Nelius Rhodes and Miss Mary Maurigi; three sons, Manuel, Gaspar, Jr., and Russell Maurigi, all of Bay St. Louis and nine grandchildren.

CARD OF THANKS

I wish through this medium to express my sincere and heartfelt thanks and appreciation to my many friends and neighbors, the attending physician and priest for their many acts of kindness shown me at the sudden death of my beloved husband, Captain George Delhom, who died recently at our home in Waveland, Miss.

I shall be grateful always.

Sincerely,
Mrs. Mary Freda Delhom.

Today's Best Buy Is Plumbing & Heating

Plumbing and heating are necessities of modern living and should be considered in the same light as medical care, clothing and shelter. Even if prices were much higher, plumbing and heating facilities would cost only a few cents a day and would be cheap in comparison with doctor bills, life insurance and kindred expenses.

The fact of the matter is, however, that plumbing and heating have not been subject to the violent fluctuations in cost which have characterized most other products.

The fact is that plumbing and heating prices are not high. The fact is that plumbing and heating prices are low in comparison with any reasonable standard—in comparison with wages and salaries; in comparison with other commodities.
